NEED TO KNOW

OCTOBER IS BREAST CANCER AWARENESS MONTH. On Wednesday, October 28, 12:00-1:00 p.m., in room 119, our own Adjunct Professor and "The Good Health Fairy" René Bowditch with "Beyond Boobs" Co-founder Mary Beth Gibson, will present "Living Beyond Boobs!" A program focusing on what all women need to know to take charge of their breast health. Some of the topics that will be covered are: what every woman needs to know to take charge of her breast health; the four roadblocks that stop women from doing what they need to do to ensure early detection; and the gifts that came with breast cancer – positive things we want to share with you! This program is free and open to the entire law school community. There will be many door prizes.

To show your support of this important program, we ask you to wear pink on the 28th to show our guests we understand and support the message.

There is one fund raiser left – that's the chance to win a quilt with the new breast cancer awareness colors – pink and brown – which was made by Cassi Fritzius. It will be on display during the rest of the month in front of the Administrative Office. Tickets are \$1.00 and the drawing will be on October 28 after Professor Bowditch's program.

We ask that you support this fund raiser as the money will be donated to the Susan G. Komen Foundation Tidewater Affiliate with 75% of the money being kept in the Tidewater area. The other 25% will go to the national foundation with the stipulation that the funds be used for research. This disease has touched almost everyone. We ask that you support this fundraiser and help SGK find a cure.

W&M IS CLEAN AND GREEN! The Law School Recycling Committee reminds you to please Remember to recycle your paper, plastic bottles, and aluminum cans in the labeled bins provided in the law school and library. Law school recycling is powered by students and staff, so be kind: empty and rinse your bottles and cans before recycling them!
